Dr. John Bruchalski's

life changed forever when his mom offered him a free European adventure to Medjugorje about 20 years ago. As a young doctor in the field of gynecology, he found no problem with performing abortions, until Our Blessed Mother changed his heart in Medjugorje. He is the founder of the Tepeyac Family Center. It is the only Catholic medical practice in Northern Virginia and the largest practice made up of NFP – only OB-Gyns in the world. It is the only known medical facility using the language of JPPI's Theology of the Body in their daily work. Learn more on his website - www.tepeyacfamilycenter.com
